

...careers at TNG

openings for...

Mechanical and Electrical Building Services Design Engineers (All grades)

Working arrangements

- 37 hours per week with flexible working arrangements available.

Who we are

TNG is a Building Services Engineering Design Consultancy, based in Southampton city centre. We are committed to the innovative, yet common sense design of sustainable buildings and the engineering systems that allow them to function, within all Construction sectors. Our ethos is to make a difference by taking our customers problems away and providing a reliable and flexible design service.

What we offer

We offer suitable candidates the chance to join a dynamic, forward-thinking organisation that enjoys achieving. The Company rewards its people through a competitive remuneration package with flexible benefits, and development and progression opportunities.

the role...

You will join our established team of M&E Design Engineers. Responsibilities will include the design of Building Engineering Services from small to large-scale projects in all Construction sectors. Experience in Healthcare, Education and Commercial facilities is vital, coupled with good knowledge of sustainable systems and renewable technologies.

CAPABILITIES REQUIRED

- ★ A competent Building Services Design Engineer;
- ★ Building Services Design qualification to HNC/Degree level;
- ★ Appropriate experience of designing Engineering Systems in all Construction sectors;
- ★ Membership of a professional organisation such as CIBSE;
- ★ Effective interpersonal skills within the office, with Clients and other members of the project team;
- ★ Computer literate and willingness to embrace new IT applications and platforms;
- ★ Ability to work intuitively and self-sufficiently;
- ★ Adept at budget control, programming and prioritising workload.

PERSONAL SPECIFICATION

TNG welcomes motivated and dedicated people to apply for its employment opportunities. We regard ourselves as a Company that has a family feel and finding the right people to help grow our business is a top priority. We are looking for individuals that want to become part of the Team and are able to interact and communicate in an effective and supportive manner.

The Company prides itself on achieving excellence; therefore, Candidates should always be eager to always meet the Clients' needs. Specifically, candidates need to be able to:

- ★ **Provide complete and error free designs** - *have an eye for detail, accuracy and consistency;*
- ★ **On time** – *able to track and monitor progress against targets;*
- ★ **That meets Client expectations** – *ensure clarity of the brief from the outset;*
- ★ **Within budget** – *able to manage time effectively and maintain focus throughout.*

In addition, they are required to:

- ✓ Be reliable and trustworthy;
- ✓ Be proactive and hands-on;
- ✓ Provide practical and achievable advice;
- ✓ Be flexible and adaptable to other people's views and project requirements;
- ✓ Be friendly and supportive to all colleagues, Clients and other design team participants;
- ✓ Willingness to work to Quality Assurance and other management system standards;
- ✓ Communicate well, have the ability to listen and follow instruction;

apply...
