

## Russell Pitman | Personal Profile

Managing Director / Mechanical Design Engineer

### Profile

Russell was one of the original founders of TNG Consulting Engineers (formerly Henderson Green), established in May 1999. He became Managing Director in April 2009. He is a Chartered Mechanical Design Engineer with over 25 years' experience of working in Building Services Engineering in the south of England and the Channel Islands.

He is able to combine his role as Managing Director with the responsibilities of a holding a Project Leader role, on all sizes and types of schemes, thanks to the excellent support teams and systems in place at TNG.

One of Russell's greatest strengths is his ability to build trust, respect and friendship with the team. He goes beyond the required to ensure his Clients and Colleagues are happy and clear in what he will be delivering to them. He is also willing to do whatever he can to help others achieve their goals.
